Select Learner quotes

The Capstone project gives us the right platform to learn and to solve real-life business problems.

I've secured the role as Data Analyst in a bank. I am grateful for the new skills and insights gained about digital knowledge from RISE.

The structure of the Capstone project is very good and instructors are experienced. The mentorship is excellent.

Select Company quotes

Excellent sessions with very high quality Capstone presentations. I'm impressed... well thought-through. This is very valuable to us to get fresh and innovative ideas.

- Head of Digital, Health Care Major

One of the proposals (by the learners) to us looks like professional consulting work... teams have done a great job in a short period of time.

- Chief Information Officer, Island Development Agency

We've just hired one of the RISE participants into a senior management position - the combination of skills picked up in RISE and his experience made him a really good fit for the role. We're looking forward to have him as part of our family.

- Health Tech Company
